

## High level visit of representatives from the University Hefei (Hefei, People´s Republic of China) at Montanuniversitaet Leoben

The Rector of the Montanuniversitaet Leoben, Magnifizenz Prof. Dr. Ing. Wilfried Eichlseder, and the Head of the Chair of Waste Processing Technology and Waste Management (AVAW), Prof. Dr. mont. Roland Pomberger, have welcomed Mr. **Prof. Dr. Jingmin Cai**, President of Senate of the University Hefei, who has visited Leoben together with his delegation. The delegation members were Ms. **Prof. Xianghong Zhan** (Dean for the Chinese literature), Ms. **Prof. Jihong Hou** (Dean for the Foreign Languages), Mr. **Dr. Qundao Miao** (Head of the Department for Development and Design), Mr. **Dr. Feng Jia** (Head of the International Office), Mr. **DI Lei Hong** (Assistant of the International Office) and Mr. **Dr. Jianan Sun** (Deputy Director of the Department of Foreign Affairs and Deputy Head of the International Education College).

On **September 4<sup>th</sup> and 5<sup>th</sup> 2016**, the Chinese delegation has visited Montanuniversitaet Leoben and its Chair of Waste Processing Technology and Waste Management. Based on the long-time cooperation in waste management between Prof. Dr. Karl E. Lorber (AVAW) and Dr. Renato Sarc (AVAW) and Chinese colleagues, further strengthening of activities should be continued. Therefore, the Memorandum of Understanding (MoU) between the Montanuniversitaet Leoben and The University Hefei was signed by the Rector and President of the Senate. This MoU establishes a framework for easier cooperation and enables the mobility of the academic research staff and students as well as development of joint international projects etc.
